The specific criteria to be used to value the assets and liabilities are set out in Schedule 1 hereto. This valuation will be done the same way as any other valuation preceding the Valuation date. The valuation of the Fund as of the Valuation date is a responsibility of the Administrator and subject to approval of BNP Paribas Securities Services (Ireland) Limited (the "Depository of the Merging Fund"). The valuation as of the Valuation date will include all payables and receivables arising from subscriptions and redemptions processed on the Valuation date.

5 Calculation Method of the Exchange Ratio

The Exchange Ratio will not be calculated. The Exchange Ratio will be fixed to 1:100. The number of shares to be issued to each shareholder (the "**New Shares**") will be calculated using the Exchange Ratio. The Exchange Ratio of 1:100 means that each shareholder will on the Effective Date receive one hundred of New Shares in the Receiving Fund for each one share of the Merging Fund they held on the day immediately preceding the Effective Date (the "**Existing share**"). Once New Shares have been issued, all Existing shares will then be cancelled.

The value of the Merging Fund calculated by the Administrator as of the Valuation date will correspond to the value of the New Shares to be issued in the Receiving Fund to former shareholders of the Merging Fund. The number of New Shares to be issued in exchange for the net assets of the Merging Fund shall be the number which would, on the Valuation Point, have been issued for cash against the payment of a sum equal to the valuation of the Merging Fund calculated by the Administrator as of the Valuation date divided by the Exchange ratio.

6 Proposed date of the Merger

Subject to the approval of the Central Bank, the Funds propose that the Merger shall take place on 1 March 2022 (the "**Effective Date**"). The Valuation date used for the

determination of the New Shares to be issued in the Receiving Fund is 22 February 2022.

On the Effective Date, shareholders in the Merging Fund will receive New Shares. All assets and liabilities of the Merging Fund will be transferred to the Receiving Fund so that shareholders in the Merging Fund will receive New Shares that are equal in value to their existing shares in the Merging Fund, subject to rounding adjustments.

The Administrator of the Receiving Fund will issue shareholders with a written confirmation of ownership of the New Shares within five (5) Business Days following the Effective Date. No preliminary charge, exchange charge or repurchase charge will be applied on the issue of New Shares as part of this process.
